[] LIAISON Called Marsha Matts, House Appropriations Committee staff, and asked that she advise Mr. Charles Snodgrass, of the Committee staff, that we were checking to find out what happened to the cassette which Representative Joseph Addabbo (D., N.Y.) gave [] I told her we were hoping it would be in the pouch tomorrow, but if it isn't, we will send a cable and find out where it is. I told her we would let them know as soon as possible.

13. [] BRIEFINGS Received a call from Jane McMullan, Senate Appropriations Committee staff, who said the Committee would like to have the Director appear on two consecutive days on the NFIP posture and the CIA posture. 15. [] LIAISON Accompanied the Director and Ted Shackley, ADDO, to a meeting with Chairman John D. Dingell (D., Mich.), House Interstate and Foreign Commerce Subcommittee on Energy and Power, regarding the Chairman's letter to the Director dated 20 January. Also present were Frank Potter, Peter Stockton, and Michael Ward, all on the Subcommittee staff. Chairman Dingell, for his part, said he would not operate through other committees. The Director, for his part, made his position equally clear. It appears that we will be able to work out an accommodation mutually satisfactory to both and in the event of any disagreement it should be brought to their attention for resolution. Mr. Potter raised the question on the accuracy of some information provided by the analytical side of the house and the Director said if there is any question on this or any other matter, for Potter to get in touch with me to be brought to the Director's attention to be resolved.

17. [] LIAISON Received a call from Skip Endres, House Judiciary Subcommittee on Immigration and Naturalization. Endres called and asked if I would look into arrangements that were being made for a briefing on illegal immigration from Mexico into the U.S. to be given by Averill Farley, NFAC. Endres had been given Farley's name by the Library of Congress as having prepared a report on the subject and Endres called her directly. Farley told Endres she would have to submit the request through proper channels. Endres asked that the briefing be held sometime next week. I said I would check and that someone from our staff would get back to him.

25X1

I reminded Endres that our office still has the classified notes that Committee staffer Peter Regis had taken sometime back and that we had further material prepared for Regis' review whenever convenient for him. Endres made no comment, but did inquire as to the status of the review of the summaries by the GAO investigating team. I said this was coming right along and should be completed within the month.

4. [REDACTED] LEGISLATION In the company of George Cary, Legislative Counsel, [REDACTED] Assistant to the DCI; and [REDACTED] OGC, attended a meeting chaired by [REDACTED] IC Staff, and attended by representatives from other Community agencies and departments to discuss charter legislation generally and particularly the SSCI draft Title II. The consensus was that the SSCI drafts overall were overly detailed and restrictive and that Title II in particular was completely unacceptable in its present form. It was agreed that [REDACTED] would draft a memorandum to the Director reflecting this position and recommending that he seek to have the probable SSCI sponsors of the legislation delay imminent introduction of the charter bill so that further efforts could be made to narrow disagreement and possibly reach agreement on a set of general charter principles.

12. [REDACTED] HEARING Along with George Cary, Legislative Counsel, and [REDACTED] PA Office, I attended the first day of Ambassador Frank Carlucci's nomination hearings for DDCI before the Senate Select Committee on Intelligence. Chairman Daniel K. Inouye (D., Hawaii), Senate Select Committee on Intelligence, opened the hearing by announcing his resignation had been accepted by the Democratic Caucus and that Senator Birch Bayh (D., Ind.) had been appointed the new Chairman. Ambassador Carlucci read his prepared statement and then answered questions from Senator Bayh which dealt primarily with Executive Order 12036, from Senator William Hathaway (D., Maine) which dealt primarily with his previous Government career, especially in the Nixon Administration, and from Senator Walter Huddleston (D., Ky.). Senator Richard Schweiker (R., Pa.) made a brief statement in support of the nomination. Because of a late start and numerous interruptions for floor votes, the hearings were recessed until 30 January at 2:00 p.m. when there will be another open session followed by an executive session.

13. [REDACTED] LIAISON Delivered to Patrick Long, House Permanent Select Committee on Intelligence staff, the world map which he had requested. I discussed with Long his request that Representative Robert McClory (R., Ill.) [REDACTED] on 11 February. Long gave me several specifics on what he would like.

14. [REDACTED] LIAISON Met with Abram Shulsky, Senate Select Committee on Intelligence staff, who gave me approximately 10 pages of Russian script which had been turned over to Senator Daniel Moynihan's (D., N. Y.) New York office by a Russian immigrant. The paper is a discussion of the Soviet missile program. I agreed to pass this to Agency analysts and then return the paper to Shulsky.

15. [REDACTED] LIAISON Met with Mike Epstein, Senate Select Committee on Intelligence staff, who gave me pages from Fred Malek's, former Nixon Administration official, testimony before the Senate Watergate Committee. The testimony referred to the "responsiveness program" which Ambassador Frank Carlucci had been asked about at today's confirmation hearing.

16. [REDACTED] LIAISON Met with Hal Ford, Senate Select Committee on Intelligence staff, and told him we would like the opportunity to meet with Senator Adlai Stevenson (D., Ill.) to get feedback from his recent trip [REDACTED] Ford said he would try to set this up.
